Basic overview of how to use the site:

- After logging in you should see a page with a google type map showing the Education Center location.

- Scroll down past the google map image to where it has the floor plans and click on the roof floor plan, you should now see a full page view of the roof floor plan.
- On the left hand column under Filters click on Mechanical -> green dots will show up indicating all of the mechanical units.
- Click on the dot representing the unit you want to view
- Information on the unit will be provided including photos which shows the data plate and unit overview as well as other information from the unit.
